

AS350/B206 VRLA Aerial Work Pilot – British Columbia

Helicopter Pilot

Company: Tundra Helicopters Ltd.

Type: \$80,000–\$140,000 a year – Temporary, Seasonal, Full-time, Fixed term contract

Description

Job Overview

We are seeking an AS350, Bell 206L, and a Bell 206 helicopter pilot to join our team in Northern BC. Most of the designated work will be mining support, drill moves, wildlife surveys and capture, fire suppression, and some medevacs. We do require the candidate to be proficient on a long line and have a mountain course. This role requires excellent organization, good interpersonal skills, and the ability to work on your own and get the job done without major oversight. This is currently a seasonal position, but can be full time during the winter months (if required) for the right candidate. Travel and expenses are paid for. Food and accommodation covered. 3 weeks on, 2 weeks off schedule. Flexible for time off.

Responsibilities

- Safely operate aircraft in accordance with aviation laws, regulations, and company policies
- Conduct pre-flight inspections and ensure aircraft readiness before departure
- Communicate effectively with management, clientele, and maintenance crews
- Maintain the necessary paperwork and be up to date
- Be a team player

Experience

- **1500 hrs PIC Min.**
- Endorsed on the AS350, Bell 206L, and Bell 206, but will endorse for the right candidate
- Come with a pre-existing mountain course and mountain experience
- **Long line skills mandatory**
- Mechanical knowledge of aircraft systems and troubleshooting skills
- Strong work ethic
- Strong organizational skills with the ability to manage multiple tasks efficiently
- Valid drivers abstract

Job Types: Full-time, Fixed term contract, Seasonal

Contract length: Usually 7 months for a season

Pay: \$80,000.00-\$140,000.00 per year

Licence/Certification:

- **Canadian Commercial Pilot's License (Mandatory)**

Work Location: Mainly Dease Lake, BC area
